Welcome to Your **Connected Home**

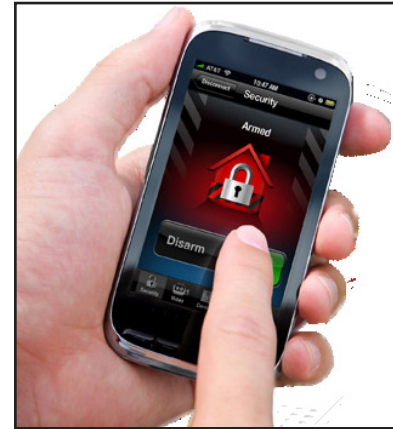

Brilliant, Full-Color Touchscreen

- Crystal-clear, full color 4.7" touchscreen simplifies operation with graphics and menu-driven prompts
- Icons and words are large, clear and easy-to-read
- Two dedicated keys for easy access to the home screen and emergency functions

Honeywell Total Connect Remote Services

- Control your security system anywhere in the world on mobile devices
- Get location-based weather, traffic and news delivered right to the touchscreen
- Get tornado alerts delivered automatically to the touchscreen based on your zip/postal code

Easy-to-Use Portable Protection

Designed for easy, trouble-free use, Honeywell's stylish, compact Wireless Keys let you control your security system with push-button ease. Security has never been this simple - or this stylish!

Easier Operation and Fewer False Alarms

- Simple push-button arming and disarming makes operation easy for family members of all ages
- Tactile, comfortable keys are recessed and labeled with recognizable function icons - helping you select the right function without guessing
- No codes to remember
- Sleek and compact - looks great on keyrings, backpacks and more
- LED confirmation that transmission has been sent
